

T. G. RAMSEY DEAD; AN OCTOGENARIAN

One of the Old Residents Joins
the Great Majority.

WELL KNOWN IN TWO STATES

Resided at Arredondo, on His Farm
Purchased From the Government—A
Native of Georgia, Where He Passed
Many Years.

The Hon. Thomas Green Ramsey, one of Alachua county's oldest citizens, breathed his last at his home in Arredondo, at 1 p. m., Friday, October 13th, 1905, aged 83 years.

By the death of Mr. Ramsey there passes from the scenes of this life one of the prominent figures of the last century, who was known for his strength of character. He was born in Pulaski county, Ga. In his infancy his parents removed to Stewart county, where they resided until 1845, when his father came to Florida, the family following one year later.

The deceased, however, was educated at one of the leading colleges of Georgia, and came to Alachua county with his parents, who settled at the west end of Payne's Prairie, and in 1849, when the Arredondo grant was sold by the government, bought a section on which he resided at the time of his death.

Mr. Ramsey went to Georgia to reside after he had lived in Arredondo for a time, where he was married to a Miss Sykes, remaining there until about 15 years ago, when he returned to his old home in this county where he resided until his death, his wife having died three months ago.

Two sons, Perry G. and F. Marion, and one daughter, Miss Sarah Ramsey, who has lived at home as housekeeper, survive him.

During his life he held many important offices in Georgia as well as in this State, being a man of excellent ability, strictly honest in every transaction and of noble impulses, respected and honored by all who knew him. He followed the occupation of farming and was successful in that line, having a large circle of friends among all classes, who considered him a thorough gentleman. He was a member of the Baptist church, and one of the oldest, if not the oldest, Masons in the county, having joined the Micanopy lodge as a charter member.

Thus passes away the last member of the numerous family of Moses Ramsey, one of the noblest works of the Creator, and a man who was a neighbor and friend of the old school citizenry of Dr. Payne, George R. Fairbanks and Judge Forward, the men selected to dispose of the old Arredondo land grant.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." Sold by W. M. Johnson.

Hold-Up Suspect Arrested.

Seattle, Wash., Oct. 13.—L. T. Camp was arrested late last night by Police Sergeant Powers on suspicion of being one of the men wanted for the Great Northern holdup which took place a few miles from here last Monday. Camp has a record and is now known to have spent large sums of money lately. Railroad Detectives Delaney and Baright saw the man in the city prison last night and say they believe he is one of the gang.

Mothers

Who would keep their children in good health should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work so that their food does them good, and they grow up healthy and strong. Sold by W. M. Johnson.

WELCOME LETTER

From An Admirer of the Sunny Southland—Will Visit Gainesville.

Editor Gainesville Sun: As the time for which I subscribed to The Sun has about expired, enclosed find \$1.00 which please send The Sun to my address for another year.

Circumstances prevented me visiting you last winter as I intended to do. But, all being well, I expect to see Gainesville and all my friends there in the near future. My good friend, A. O. Steenburg, writes me that I will hardly know Gainesville when I come. On account of the great improvements that have and are taking place, it hardly looks like the same city that it did when I was last there. I think he must forget that I take and read The Sun and keep pretty well posted twice a week on the improvements going on in Gainesville and the surrounding country, and I hope that I may be very agreeably surprised and exclaim with one of old, "the half has not been told me."

I rejoice to hear that the people of Gainesville and vicinity are happy and prosperous. I also feel interested and much pleased at the prosperity of the South in general. I had a dear brother years ago who left home, relatives and friends, and cast his lot with the people of the South. He took unto himself a bride from the fair daughters of that sunny clime, and as Ruth of the Bible said: "Her people were his people, and her God his God."

He lived a few short, prosperous years. Then, as with thousands of others, in the prime and vigor of early manhood, was laid to rest in a soldier's grave, where his ashes still repose, beneath a Southern sky, where the snows and icy blasts of a Northern winter are unknown; where the flowers are ever blooming and the birds are carolling their songs of praise and thanksgiving to the Father of all mercies. May God forever shower His blessings abundantly upon the Southland.

Yours truly,

JABEZ SPRIGGS.

Kanawville, Wis., Oct. 9, 1905.

Astonishing Incident.

It was, to all her friends, an astonishing incident that Mrs. I. B. Hunt of Lime Ridge, Wis., was cured of her dreadful sickness. "Doctors," she writes, "had given me up; friends were ready to bid me the last farewell; clouds of despair darkened my horizon, and I was a wreck on the shores of despondency, when I began to take Electric Bitters for my frightful stomach and liver complaint. To the astonishment of all, I was benefited at once and am now completely and miraculously restored to health. At all drug stores; price 50c; guaranteed."

Favor Universal Suffrage.

Prague, Bohemia, Oct. 13.—The Czechs and Germans united in a demonstration in favor of universal suffrage. Peaceful crowds estimated to number from 50,000 to 60,000 persons assembled in the neighborhood of the Drexel building and sent a deputation to the land marshal, Prince Vobokilla, and the governor, Count Von Coudenhove, to present the officials with their views on the suffrage question. This movement is expected to spread until all Australia demands manhood suffrage.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by all druggists.

Shooting Affray at Clayton.

Clayton, Ga., Oct. 13.—A difficulty arose here between Gus Wall and M. H. Wall, known as Chub Wall, in which the former was shot, the bullet passing through the right thigh and lodging in the left knee. While the wounds are painful and serious, they are not necessarily fatal. M. H. Wall is in the custody of the sheriff.

Cures Winter Cough.

J. E. Gorer, 101 North Main street, Ottawa, Kan., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stop the cough, and she is able to be up and well." 25c, 50c and \$1. Sold by W. M. Johnson.

BAD BLOOD WEAKENS THE SYSTEM AND INVITES DISEASE

Every part of the body is dependent on the blood for nourishment and strength, and when from any cause this vital stream of life becomes impoverished or run-down, it invites disease to enter. No one can be well when the blood is impure; they lack the energy that is natural with health, the complexion becomes pale and sallow, the vital energies are at a low ebb, and they suffer from a general broken-down condition of health. The system is weakened and unable to resist the diseases and disorders that are constantly assailing it. The Liver and Kidneys, failing to receive the proper stimulation and nourishment from the blood, grow inactive and dull, and the waste matters and bodily impurities that should pass off through these channels of nature are left in the system to produce Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases or some other blood disorder. When the blood is in this weakened and diseased condition it should be treated with a remedy that is not only thorough, but gentle in its action. S. S. S., a purely vegetable remedy, made of roots, herbs and barks, is just what is needed. It not only cleanses the blood of all impurities and poisons, and enriches and strengthens it, but gently builds up the entire system by its tonic effect. S. S. S. reinvigorates every member of the body, gives tone and vigor to the blood, and as it goes to the different parts, carries robust health and strength. S. S. S. acts more promptly and gives better results than any other medicine. It cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases and all other blood disorders, and cures them permanently. Our Medical Department will be glad to give advice without charge to all suffering with blood or skin diseases. Address
